DONATION REQUEST

Date:

Dear Families,

This year I will be using a FUJIFILM Instax Mini instant camera to help document your child's progress and share growth with you. I love that this will help you see what your child is learning and how he or she is growing. To help with the goal of documenting learning with photos throughout the year, I would appreciate donations of FUJIFILM instax Mini instant film. This film can be purchased on Amazon.com or at stores such as Walmart, Target, Michael's or Best Buy. Thank you so much for considering making a donation!

Sincerely,

©www.thecurriculumcorner.com

DONATION REQUEST

Date:

Dear Families,

Using our classroom instax mini instant camera has been such a benefit to keeping track of our learning this year. We are running low on film. If you are able, we would appreciate donations of FUJIFILM Instax Mini instant film. Thank you for your help!

Sincerely,
