

The scientists
carefully took
notes inside the
building.

421-440

Why does this
surface feel
nothing like the
rest?

421-440

In class, she
decided to write
facts on the inside
of her folder.

421-440

The car wheels
moved only inches
down the street.

421-440

My science class
contained facts
about oceans.

421-440

The ocean is able
to produce new
life each year.

421-440

Inside the
building, the
students heard
the storm outside.
