I can have more friends by being a good friend!
When I help others I am being a good friend.
Is it hard to be a good friend?
What nice things have you done for someone today?
My friends are the best!
Friends say please and thank you a lot.

Teamwork means working together well.
Do you take turns when you play with your friends?
Good friends forgive each other when mistakes are made.
Being a good listener is important to being a good friend.
Always include others so they don't feel left out.
Tell your friends things that will make them feel happy.

Do you have lots of friends?
I care about my friend's feelings.
Always think about how you would feel if someone was doing the same thing to you.
I am an awesome friend to others!
Write notes to your friends saying why they are special.
What things can you do to be a good friend to others?
