'I Can" Read Fiction (Reading - Literature) I can read, understand and discuss the fiction stories I read. \square RL.6.1 I can refer to the text to support my thoughts and draw inferences about a story. \square RL.6.2 I can use details from the text to determine the theme or message of a story. □ RL.6.2 I can give a summary of the story without adding my opinions or judgments. □ RL.6.3 I can describe how the plot of a story or drama unfolds in a sequence of events. \square RL.6.3 I can describe how the characters in a story or drama change as a story moves towards its conclusion. □ RL.6.4 I can figure out the deeper meanings of words and phrases as they are used in a story. □ RL.6.4 I can think and talk about the effects that specific words have on the meaning or tone of a story. □ RL.6.5 I can think and talk about how specific parts of a story, play or poem fit into the overall text and contribute to the development of the theme, setting or plot. \square RL.6.6 I can explain how an author develops the point of view of the narrator or speaker in a text. □ RL.6.7 I can compare and contrast the difference between reading a story, drama or poem to listening or watching the story in an audio or video version.

9	\sim	P
	\square RL.6.7 I can tell the difference between what I "see" and "hear" when reading a story or drama to what I notice when I listen or watch the same story.	
	□ RL.6.9 I can compare and contrast similar themes or topics in various fiction genres.	
	□ RL.6.10 I can read and understand stories, dramas and poems at my grade level and above (with help where needed).	
("I Can" Read Nonfiction	
\	(Reading - Informational Text)	/
1	I can read, understand and discuss informational texts I read.	1
/	 □ RI.6.1 I can refer to the text to support my thoughts and draw inferences about a piece of informational text. □ RI.6.2 I can use details from the text to determine the central idea of a minor of informational text. 	
	idea of a piece of informational text. □ RI.6.2 I can give a summary of a piece of informational text without adding my opinions or judgments.	
	□ RI.6.3 I can think and talk in detail about how people, events or ideas are introduced, illustrated and developed in in a piece of informational text.	
\Diamond	□ RI.6.4 I can figure out the meanings of words and phrases in a piece of informational text by thinking about how they are used.	\lhd
	 □ RI.6.4 I can think and talk about how specific parts (sentence, paragraph, chapter or section) fit into a piece of informational text and add to the meaning and ideas in the text. □ RI.6.5 I can think about how various sections (sentences, 	
\	chapters, scenes or stanzas piece of informational text fit into	/
7	Q	4

"I Can" Write (Writing) I can write different types of writing for different reasons. □ W.6.1 I can write arguments and use clear reasons and relevant evidence to support my claims. \square W.6.1.A I can introduce my argument and organize the reasons and evidence clearly. □ W.6.1.B I can support my claims with clear reasons and relevant evidence. □ W.6.1.B I can support my claims using appropriate sources and show that I understand the topic. \square W.6.1.C I can use wording that clearly explains the relationships between my claims and reasons. □ W.6.1.D I can establish and maintain a formal style in presenting my written arguments. \square W.6.1.E I can write a conclusion that follows from the arguments I presented. □ W.6.2 I can write organized and informative pieces, with relevant content, to explore a topic and express ideas, concepts and information. □ W.6.2.A I can use definitions, classifications, comparing & contrasting or cause & effect to help introduce a topic and organize ideas, concepts and information in my writing. \square W.6.2.A I can present information more clearly in my writing by using formatting such as headings, visuals and multimedia.

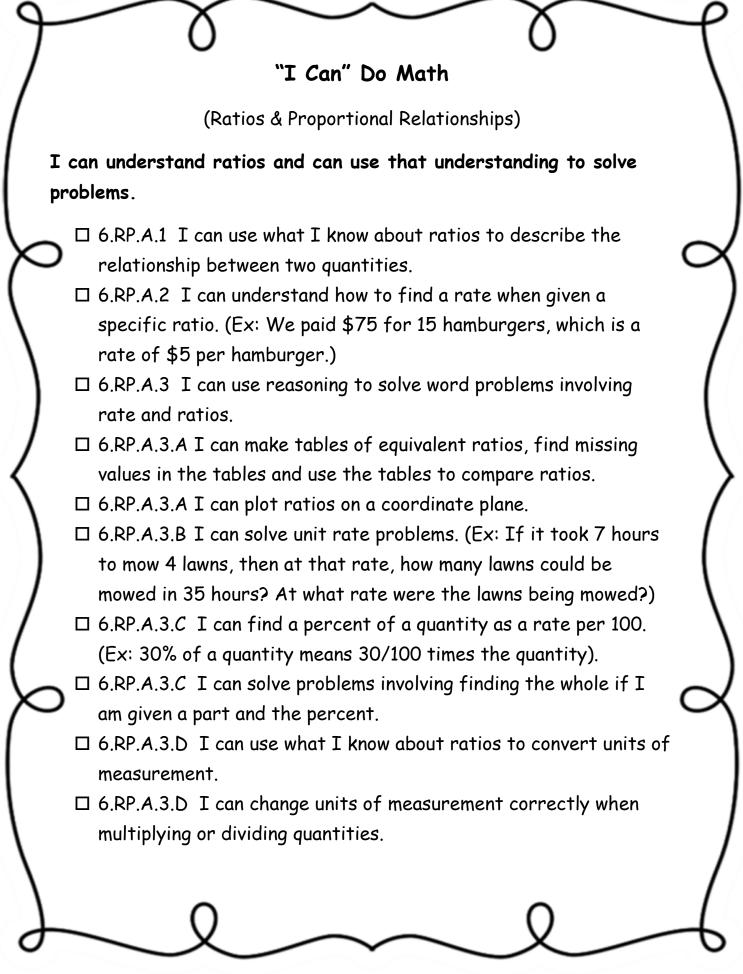

9	~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~
	I can improve my writing and publish it for others to read.
	 W.6.4 I can produce clear writing with appropriate development, organization and style to suit my task, purpose and audience. W.6.5 I can plan, revise, edit, rewrite or try a new approach in my writing with some help of peers and adults.
\Diamond	□ W.6.6 I can use different forms of technology to create and publish my writing.
	□ W.6.6 I can use technology to interact and collaborate with others.
	□ W.6.6 I can show appropriate keyboarding skills to type at least three pages of my writing in a single sitting.
,	can use research to learn more about a topic and present it to thers.
	□ W.6.7 I can complete short research projects to answer a specific question by using several sources and by refocusing my research when needed.
	□ W.6.8 I can determine if a source is credible when I gather new information from books or technology.
	□ W.6.8 I can quote or paraphrase from print and digital sources without plagiarizing.
X	□ W.6.8 I can provide basic bibliography information to recognize the sources I use in my research.
	□ W.6.9 I can gather evidence from fiction or informational text to support my investigation, thinking and research.
\	\square W.6.9.A I can apply all that I have learned in 6th grade reading to writing literature.
7	\sim 0 \sim 0

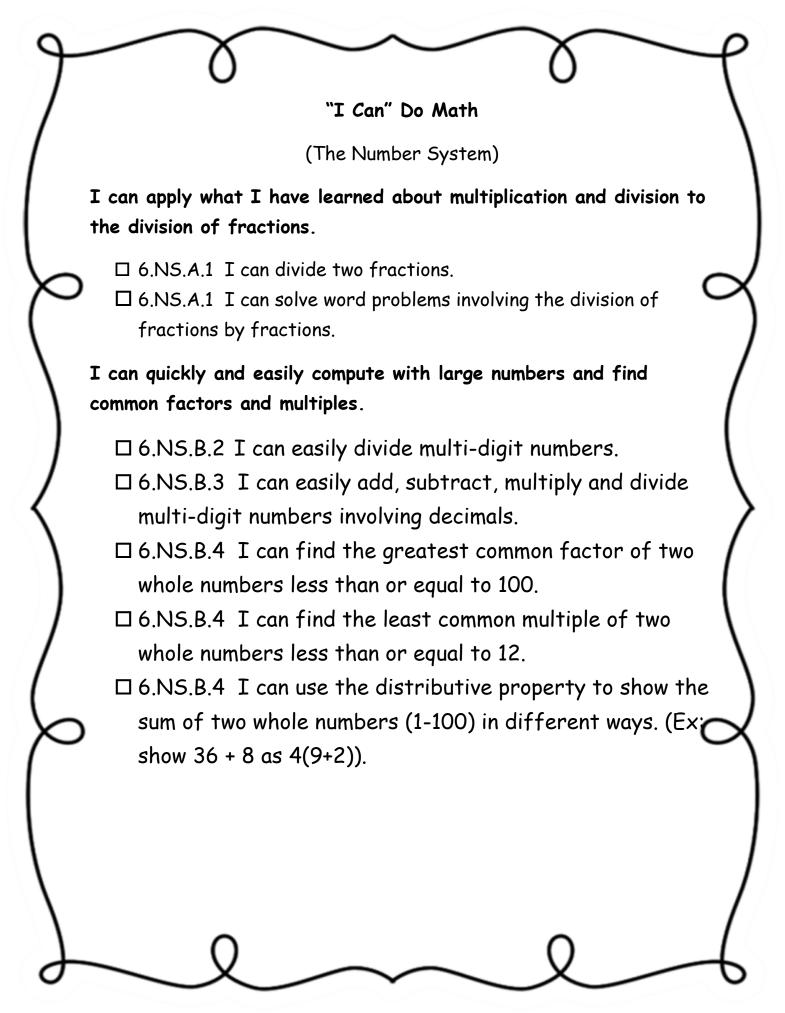

□ W.6.9.B I can apply all that I have learned in 6th grade reading to writing informational texts. "I Can" Share & Listen (Speaking and Listening) I can understand and collaborate with all kinds of people. \square SL.6.1 I can effectively participate in different types of discussions and with different people about 6th grade topics, texts and issues. □ SL.6.1 I can build on others' ideas and express my own ideas clearly. ☐ SL.6.1.A I can come to discussions prepared to share my ideas because I have read or studied the required material. □ SL.6.1.A I can participate in discussions more effectively by using examples and evidence from the text to help me reflect on the ideas in the discussion. □ SL.6.1.B I can follow rules, set goals, meet deadlines and carry out my assigned role in shared discussions with peers. □ SL.6.1.C I can ask and answer questions using appropriate explanations or details that add to the discussion of a topic, text or issue. \square SL.6.1.D I can think through the ideas in a discussion and show that I understand different perspectives by sharing my thoughts and restating what others have said. □ SL.6.2 I can think about information presented in different media or formats and explain how it contributes to a topic, text or issue.

9	7
	□ SL.6.3 I can explain a speaker's arguments or claims and separate those that are supported by reasons and evidence from those that are not.
1	I can share my ideas and knowledge.
6	 □ SL.6.4 I can present claims and findings in a logical order using relevant descriptions, facts and details to support the main idea. □ SL.6.4 I can use appropriate eye contact and volume, as well as speak clearly, when I present ideas to others. □ SL.6.5 I can include multimedia (e.g., graphics, images, music or
	sound) and other displays to help me clarify information in my presentations.
<	□ SL.6.6 I can change my way of speaking for a variety of situations and tasks and show that I can use formal English when necessary and appropriate.
1	"I Can" Use Proper English
-	(Writing)
/	I can use proper English when I write and speak.
	□ L.6.1 I can show that I understand standard English in my speech and in my writing.
	 □ L.6.1.A I can make sure that pronouns are used correctly in sentences (as subjects, as objects or as possessives). □ L.6.1.B I can use intensive pronouns correctly (myself, yourself,
	himself, herself, itself, ourselves, yourselves and themselves). □ L.6.1.C I can recognize and correct when pronouns shift
\	inappropriately in number and person.
9	

7	- 0 $ 0$
	 □ L.6.1.D I can recognize and correct vague pronouns (those with unclear antecedents - the words they are referring to). □ L.6.1.E I can recognize writing or speaking (mine or others) that differs from standard English. □ L.6.1.E I can identify and use strategies to improve what is trying to be expressed in conventional language. □ L.6.2 I can show that I know how to write sentences accurately. □ L.6.2.A I can use commas, parentheses and dashes to set off specific elements in my writing. □ L.6.2.B I can spell correctly.
) <u>-</u>	 can use what I know about language in different situations. L.6.3 I can write, speak, read and listen by using my knowledge of the English language. L.6.3.A I can differ my sentences to help me clarify my meaning, to promote better interest from my readers/listeners and to show my own writing style. L.6.3.B I can show consistency in the style and tone of my writing.
\Diamond	I can figure out what words mean and use them in different situations.
	 □ L.6.4 I can determine the meanings of words by using the strategies I have learned and by thinking about what I have read. □ L.6.4.A I can use context clues to figure out what words or phrases mean.
7	\sim Q

9	$-\delta$
	□ L.6.4.B I can determine the meanings of unknown words by using what I know about common Greek and Latin prefixes, suffixes and roots.
	□ L.6.4.C I can use print and digital reference sources to help me find the pronunciations and clarify meanings and parts of speech for new words or phrases.
\sim	 □ L.6.4.D I can make a guess about a word or phrase's meaning and then check my understanding using reference materials. □ L.6.5 I can show that I understand the deeper meanings of words
	and phrases. □ L.6.5.A I can use context clues to discover the meaning of figurative language (similes, metaphors, personification, idioms, hyperboles, onomatopoeia, puns or oxymorons).
\langle	□ L.6.5.B I can use the relationships between words to help me better understand each of the individual words (ex: cause/effect, part/whole, item/category).
)	□ L.6.5.C I can understand the slight differences between words with very similar definitions.
/	□ L.6.6 I can learn and use new vocabulary appropriate for 6th grade.
Ø	□ L.6.6 I can show new knowledge of vocabulary when I think about how words or phrases that are important to meaning or expression.
\	
7	Q Q

I can apply my understanding of numbers to rational numbers (any numbers that can be made by dividing one integer with another). □ 6.NS.C.5 I can understand that positive and negative numbers are used to describe amounts having opposite values \square 6.NS.C.5 I can use positive and negative numbers to show amounts in real-world situations and explain what the number 0 means in those situations. \square 6.NS.C.6 I can understand that a rational number is a point on a number line. □ 6.NS.C.6 I can extend number line diagrams to show positive and negative numbers on the line. □ 6.NS.C.6 I can extend coordinate axes to show positive and negative numbers in the plane. \square 6.NS.C.6.A I can recognize opposite signs of numbers as showing places on opposite sides of 0 on the number line. □ 6.NS.C.6.A I can recognize that the opposite of the opposite of a number is actually the number itself. (Ex: -C (-3)=3 \square 6.NS.C.6.A I can recognize that 0 is its own opposite. \square 6.NS.C.6.B I can understand that the signs (- or +) of numbers in ordered pairs indicate locations in quadrants of the coordinate plane.

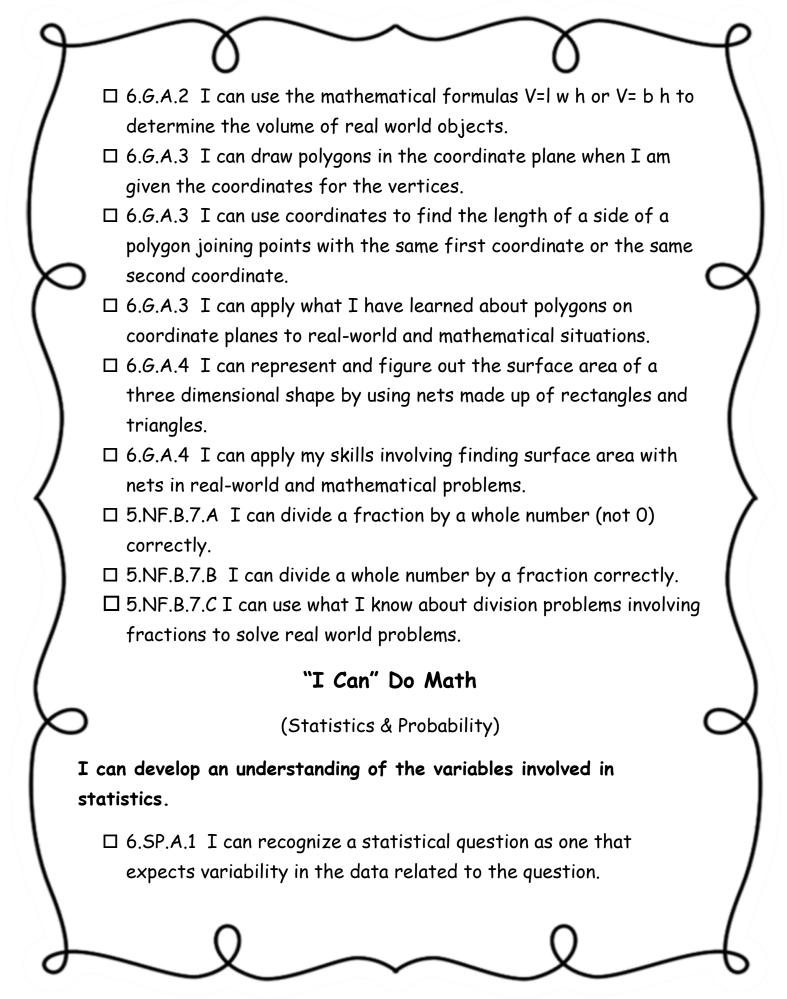

7	- 0 $ 0$
	□ 6.NS.C.6.B I can recognize two ordered pairs with differing signs as reflections of each other across one or both axes.
	\square 6.NS.C.6.C I can find and place integers and other rational numbers on a number line diagram.
\sim	□ 6.NS.C.6.C I can find and place ordered pairs on a coordinate plane.
\	□ 6.NS.C.7 I can order rational numbers.
	□ 6.NS.C.7 I can understand absolute value of rational numbers.
	\square 6.NS.C.7.A I can understand statements of inequality (ex: -3 > -7) and explain their positions and distances apart on a number line.
	\Box 6.NS.C.7.B I can write, understand and explain how the order of rational numbers applies in real-world situations. (Ex: -3 °C > -7°C to show that -3 °C is warmer than -7°C)
(□ 6.NS.C.7.C I can understand the absolute value of a number as its distance from 0 on the number line.
Ø	□ 6.NS.C.7.C I can understand absolute values as they apply to real-world situations. (Ex: for an account balance of -30 dollars, write (-30) =30 to describe the size of the debt in dollars.)
	□ 6.NS.C.7.D I can tell the difference between comparisons of absolute value from statements of order.
7	0

(Ex: An account balance less than -30 dollars is a debt greater than 30 dollars.) □ 6.NS.C.8 I can graph points in all four quadrants of the coordinate plane to help me solve real-world and mathematical problems. □ 6.NS.C.8 I can use what I know about coordinates and absolute values to figure out the distance between points' with the same first coordinate or the same second coordinate "I Can" Do Math (Expressions & Equations) I can apply my understanding of arithmetic to algebraic expressions (number sentences that contain unknowns). \square 6.EE.A.1 I can write and figure out numerical expressions that have whole-number exponents. can write, read and figure out expressions in which □ 6.EE.A.2 letters stand for numbers. \square 6.EE.A.2.A I can write expressions with numbers and with letters standing for numbers. \square 6.EE.A.2.B I can name the parts of an expression using mathematical words (sum, term, product, factor, quotient, coefficient.) □ 6.EE.A.2.B I can look at one or more parts of an expression in different ways. (Ex: 8 + 7 can be seen as the addition sentence or as the number 15.)

4	\sim 0 \sim 0 \sim 1	-
/	□ 6.EE.A.2.C I can figure out different answers to expressions	\
	when given specific values for the variable.	١
	□ 6.EE.A.2.C I can solve real-world math problems involving expressions that arise from formulas.	١
	□ 6.EE.A.2.C I can solve math problems including those with	
	exponents, in the usual order (when no parentheses are there to	J
X	give a particular order).	X
	□ 6.EE.A.3 I can apply what I know about the properties of)
\	operations (associative, commutative and distributive) to create equivalent (or equal) expressions.	/
١	□ 6.EE.A.4 can recognize when two expressions are equivalent.	
)	I can think about and solve one-variable equations and inequalities.	
	6.EE.B.5 I can understand that solving an equation or inequality means that I find out which values can make the equation or inequality true.	\rangle
	☐ 6.EE.B.5 I can try different numbers in place of a variable to figure out which makes the equation or inequality true.	
/	☐ 6.EE.B.6 I can use variables to represent numbers and write expressions to solve real-world problems.	\
	□ 6.EE.B.6 I can understand that a variable can stand for an unknown number or any number in a given set of numbers.	(
,	\Box 6.EE.B.7 I can solve real-world and mathematical problems by writing and solving equations of the form $x + p = q$ and $px = q$ (where p, q and x are all nonnegative rational numbers).	
	\Box 6.EE.B.8 I can write an inequality (x > c or x < c) to stand for a	1
\	limitation or condition in a real-world or mathematical problem	/
\	that has infinitely many solutions.	/
1	$\sim 0 \sim 0 \rightarrow$	

□ 6.EE.B.8 I can show the answers to problems involving inequalities on number line diagrams. I can write and analyze numerical relationships between dependent and independent variables. □ 6.EE.C.9 I can use variables that change in relationship to one another to represent two quantities in a real world problem. □ 6.EE.C.9 I can write an equation to show one quantity (the dependent variable) in terms of the other quantity (the independent variable). □ 6.EE.C.9 I can use graphs and tables to show the relationship between dependent and independent variables. "I Can" Do Math (Geometry) I can use geometry to help me understand math. \square 6.G.A.1 I can put together and take apart shapes to help me find the area of right triangles, other triangles, special quadrilaterals and polygons. \square 6.G.A.1 I can apply what I know about taking apart and putting together shapes to find the area of objects or places in real world situations. \square 6.G.A.2 I can use unit cubes to find the volume of any right rectangular prism. \square 6.G.A.2 I can understand that the mathematical formula (V = I w h or V = bh) will give me the same result as using unit cubes to figure out the volume.
