

Multiplication

St. Patrick's Day Bump

The game board consists of 10 numbered spaces arranged in a grid-like pattern. The numbers are: 12, 18, 15, 3, 24, 10, 6, 20, 16, 36, 5, 1, 2, 8, 18, 15, 4, 30, 9, 12. The board is decorated with a green leprechaun hat, a green shamrock, and a stack of gold coins. The numbers are in various colors (green, yellow-green) and are enclosed in different shapes (solid, dashed, dotted) to indicate different bumping rules.

Directions: Roll 2 number cubes and multiply the numbers. Cover that space with a marker. You can bump your partner's space. If you cover a space with 2 stacked markers, that space can't be bumped. The player to use all 10 of their markers first wins!
