_____	<input type="text"/>	_____	_____	<input type="text"/>	_____

Name: _____

Ordering Numbers

Directions: Draw four cards. Put the cards in order from least to greatest. Record the numbers in order below.

1.

2.

3.

4.

5.

Name: _____

Ordering Numbers

Directions: Draw four cards. Put the cards in order from least to greatest. Record the numbers in order below.

1.
2.
3.
4.
5.
6.
7.
8.
9.
10.

Name: _____

SNOWFLAKE Addition

Directions: Draw two cards.
Record the numbers. Add the numbers.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

Name: _____

snowflake subtraction

Directions: Draw two cards. Record the numbers. Subtract the numbers. Remember to write the larger number on top.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

Name: _____

SNOWFLAKE Multiplication

Directions: Draw two cards.
Record the numbers. Multiply the numbers.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

A large, empty rounded rectangle with a dashed border, intended for recording numbers.

Name: _____

SNOWFLAKE DIVISION

Directions: Draw two cards.

Divide the large number by the small number.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.

A large, empty rounded rectangle with a dashed border, intended for drawing a card.
