

# Adaptations:

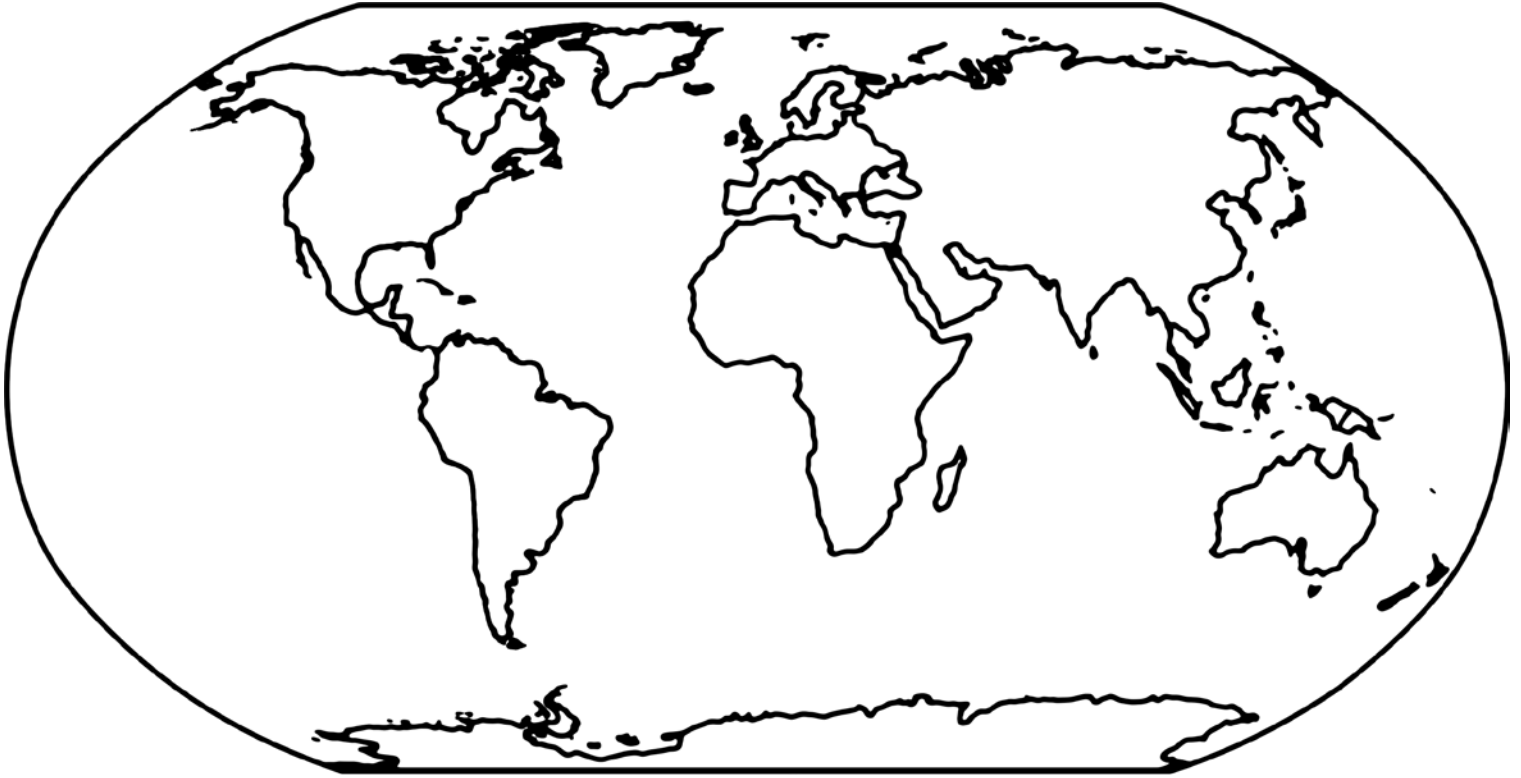

# ARCTIC ANIMALS

Name: \_\_\_\_\_

# Where is the Arctic?

Research to find where the Arctic is located on the map.  
Color the area blue.

Share five facts about the Arctic.

Share five facts about the Arctic.

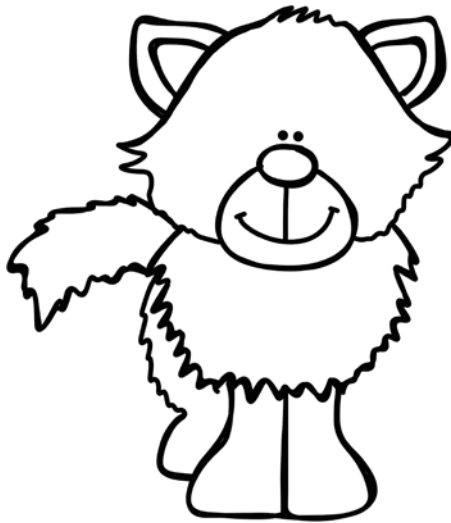

# What are adaptations?

Create a sketch page sharing what you know about adaptations.

What are they? Why do animals need them? What are some common adaptations? Fill the page with words and pictures that share what you know (or are learning about.)
