

**I will play in the
water on the first
day of summer.**

Is that your bike?

**I went down the
long slide at the
park.**

**Would you like to
play with me?**

**What time do you
need to be home?**

**When will the
people be ready to
come?**

**I will write a book
about my summer.**

**Were you happy
about going to the
water park?**

**Could you help me
make a water
balloon?**

**They are first in
line to see the new
movie.**

**This is the day I
will go to the zoo.**

Which ball is his?
