

We will build a snowman the first time that it snows.

Did you know that no two snowflakes are alike?

To make a snowman you will need to roll three large balls of snow.

I couldn't believe how cold it was outside yesterday!

We used a carrot for our snowman's nose.

What can we use to make our snowman's eyes?

My mother helped my brother and I
to build four snowmen!

My backyard had enough snow to
build ten snowmen and a fort!

How many times have you built
snowmen with your sister?

To play outside in the winter you
will need a hat, gloves and a heavy
coat.

When we came inside, we drank hot
chocolate.

Have you read the book Frosty the Snowman?

All of my friends came over to play during the first snowfall!

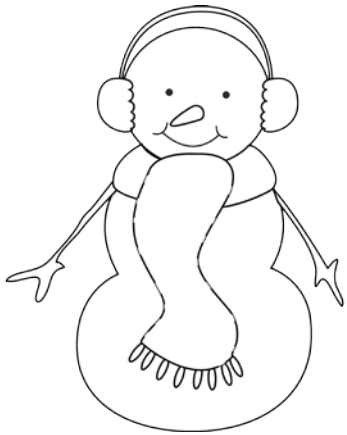

He used two sticks for his snowman's arms and put a black hat on his snowman's head.

Can you believe that it is only 15 degrees outside?

Snowmen at Night by Caralyn Buehner is my favorite book!

Anna asked, "Do you want to build a snowman?"
