

Do you know how to play
basketball?

My brother has basketball
practice on Monday night.

She can dribble and shoot the
ball.

He scored 20 points in his
game on Saturday!

Did you know that James
Naismith invented the game of
basketball in 1891?

He scored a last minute
basket to win the game!

Is your sister a cheerleader for
the sixth grade basketball
team?

The month of March is very busy
for the sport of basketball.

My mom made a three point
shot outside on our goal!

My basketball coach taught me
how to play good defense.

We all wanted to cheer for our
school's basketball team.

How many points is a free
throw worth?

My parents bought a basketball goal for our driveway.

The crowd cheered loudly when the team came out onto the floor.

The player got fouled while making a jump shot.

My basketball team won the championship!

What is your favorite college basketball team?

The referee blew the whistle because it was half time.
