

I had a delicious breakfast!

My mom made fresh
cinnamon rolls.

I also had a cold glass of
milk.

The strawberries I ate were
fresh and juicy.

I had fun at recess today.

I jumped rope by myself.

I played tag with my friends
on the playground.

I went down the slide twice.

I love going to art class!

Some days we paint.

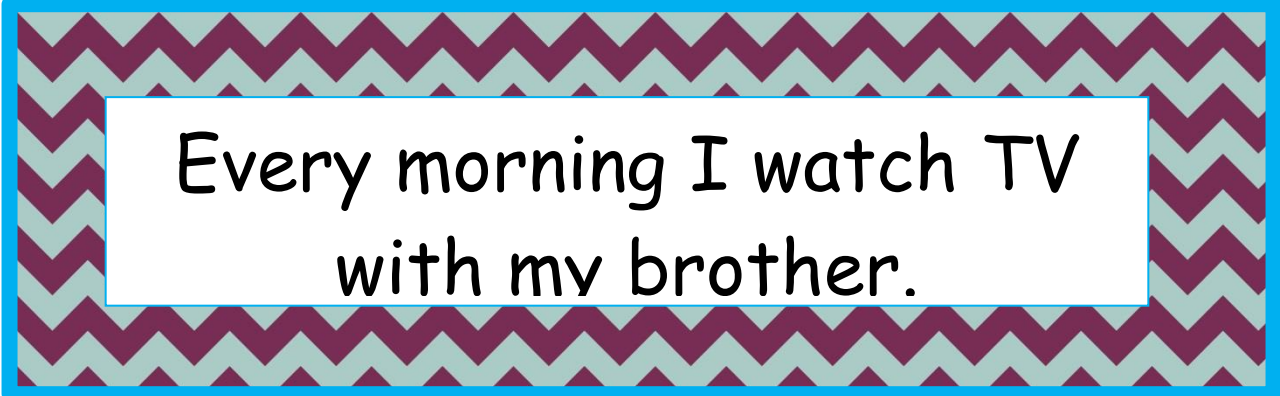

One day we even got to use
clay!

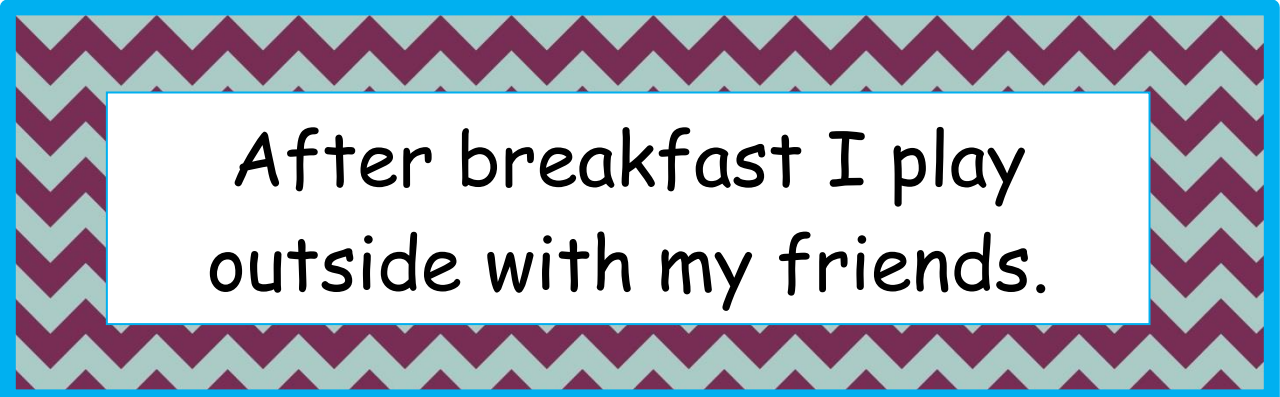

Our teacher let us make tissue
paper collages yesterday.

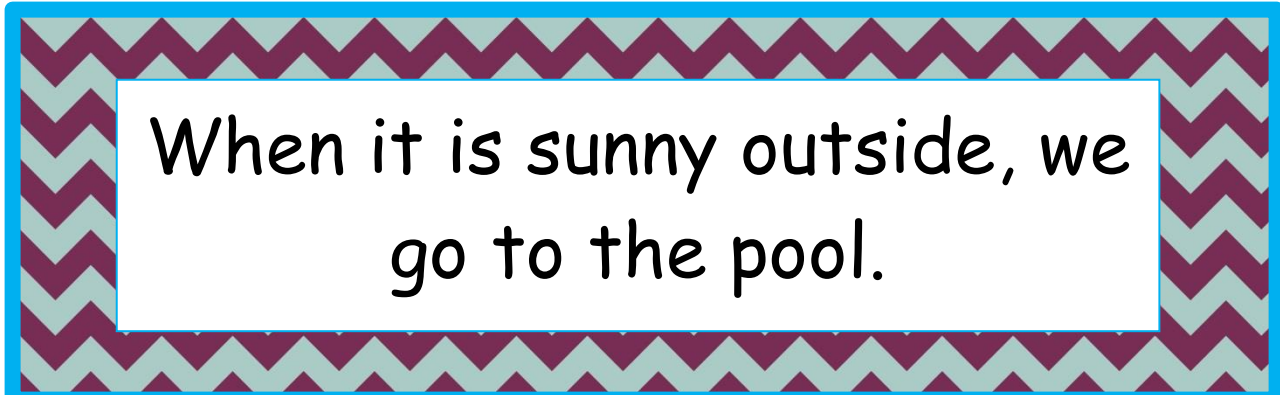

I can't wait for summer!

Every morning I watch TV
with my brother.

After breakfast I play
outside with my friends.

When it is sunny outside, we
go to the pool.
