I watched the weather forecast this morning.

The meteorologist predicted that we will get a lot of snow.

What type of weather do you like the best?

Did you jump when you heard the loud thunder?

Don't forget to take your umbrella and rain coat!

It was so foggy outside this morning!

It has been so hot and dry outside! We need some rain.

We had a tornado drill at school today.

It has rained everyday
this week!

The spring rain will
help the flowers grow.

We were worried that there would
be a flood after all of the rain.

I wore my coat and snow
boots outside during the
blizzard.

Task Card

Pick a weather book from the basket to read with a partner.

Task Card

Practice reading the fluency sentences.

Task Card

Use words from the stack to write a weather story!

Task Card

Think of two new words and make your own weather word cards. Add your words and pictures to the word card collection.

Task Card

Draw a picture of a weather memory you have. Were you snowed in during a blizzard? Was there a hurricane near you? Label your picture with weather words that fit your memory.

Task Card

Create categories for the word cards. Decide on a way to sort the words and put each into the correct group.
