Reading Task #1: Focus on Fluency

Pick two pages in the book. Practice reading the pages aloud over and over. Work on reading smoothly like you are talking. When you are confident in your reading, read the passage to a partner.

Reading Task #2: Character Thoughts

Choose a Rapunzel story to focus on. While reading the story, think about Rapunzel. Would you want to be friends with her? Why or why not?

Reading Task #3: Perfect Parents?

Think about the parents in each story. How is the father in Clotilde different from the parents in Rapunzel and Petrosinella?

Reading Task #4: Setting Review

Look at the setting in one of the stories. What do you think about where it takes place? What questions do you have about the setting? What else would you like to know?
