Name _____

Greek Roots

Meaning:

Illustration:

Word Examples:

- 1.
- 2.
- 3.
- 4.
- 5.

Use one of the word examples in a sentence:

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *man; human*

Root: _____

Definition: *time*

Root: _____

Definition: *thing written*

Root: _____

Definition: *same*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *study of*

Root: _____

Definition: *hate*

Root: _____

Definition: *name*

Root: _____

Definition: *sound*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *soul; spirit*

Root: _____

Definition: *far off*

Root: _____

Definition: *both; on both sides; around*

Root: _____

Definition: *heart*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *circle; ring*

Root: _____

Definition: *earth; soil; global*

Root: _____

Definition: *self; same; one*

Root: _____

Definition: *power*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *writing*

Root: _____

Definition: *water*

Root: _____

Definition: *measure*

Root: _____

Definition: *one*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *love*

Root: _____

Definition: *light*

Root: _____

Definition: *viewing instrument*

Root: _____

Definition: *heat*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *against; opposite of*

Root: _____

Definition: *universe*

Root: _____

Definition: *people*

Root: _____

Definition: *large; great*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *life*

Root: _____

Definition: *bad; hard; unlucky*

Root: _____

Definition: *different*

Root: _____

Definition: *below; beneath*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *small*

Root: _____

Definition: *form; shape*

Root: _____

Definition: *fear*

Root: _____

Definition: *false*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *art; science; skill*

Root: _____

Definition: *top; tip; height; beginning*

Root: _____

Definition: *self; same; one*

Root: _____

Definition: *hidden; secret*

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

Definition: *skin*

Root: _____

Definition: *straight*

Root: _____

Definition:

Root: _____

Definition:

Root: _____

Excellent Examples

Directions: Read the definition and think of the Greek root that matches.

Then write an example of a word that contains the Greek root in the box next to the definition.

3. Cut along the horizontal dotted lines up to the fold under the Greek root.
4. Paste the Greek root tab ONLY into your notebook leaving the eight flaps free to fold up.
5. Write examples of words that contain the Greek root on as many of the flaps as you can.
6. Under each flap write the definition of the words you wrote OR write a sentence that shows you know the meaning of the word.
(Your teacher will tell you which you are to write.)

ortho

Directions:

1. Cut out the box along the four outside lines.
2. Fold in the big tab with the Greek root along the dotted line under the word.
3. Cut along the horizontal dotted lines up to the fold under the Greek root.
4. Paste the Greek root tab ONLY into your notebook leaving the eight flaps free to fold up.
5. Write examples of words that contain the Greek root on as many of the flaps as you can.
6. Under each flap write the definition of the words you wrote OR write a sentence that shows you know the meaning of the word.
(Your teacher will tell you which you are to write.)
