

Dear _____,

Welcome to our kindergarten class! We are going to have so much fun on our first day of kindergarten!

We will read a story called The Rainbow Fish by Marcus Pfister. In the story Rainbow Fish discovers how to make friends and have fun when he shares his beautiful, shiny scales. Rainbow Fish will guide us as we make new friends and enjoy sharing and learning together.

******This is where you will type details about the event where you will first meet the students (Meet the Teacher Night, Ice Cream Social, etc).*

When you arrive at our classroom, you will find Rainbow Fish waiting for you! Be sure to find your name on one of the friendly fish swimming in the ocean with him!

Kindergarten is going to be so much fun! See you soon!

Love,
