I

see

seven

red

ants.

Beetles

walk

in

the

grass.

Ladybugs

crawl

on

the

leaf.

Four

buzzy

bees

fly

away.

There

are

so

many

dragonflies!

The

grasshopper

jumped

so

high!

Have

you

seen

the

spider?

The

snail

was

so

slow!

Did

ants

eat

the

donut?

Ten

wasps

were

flying

around.
